LINKING AGREEMENT BETWEEN THE CITY OF GLENDALE, ARIZONA AND VOSS LIGHTING

THIS LINKING AGREEMENT (this "Agreement") is entered into as of this 8th day of June, 2015, between the City of Glendale, an Arizona municipal corporation (the "City"), and Voss Lighting, a Nebraska corporation authorized to do business in Arizona ("Contractor"), collectively, the "Parties."

RECITALS

A. On February 1, 2014, under the Arizona State Purchasing Cooperative Agreement, the State of Arizona entered into a contract with Contractor to purchase the goods and services described in the Industrial and MRO Supplies (LIGHTING) Contract, Contract No. ADSPO14-064770, which is attached hereto as Exhibit A. The Industrial and MRO Supplies (LIGHTING) Contract permits its cooperative use by other governmental agencies including the City. The Industrial and MRO Supplies (LIGHTING) Contract is hereinafter referred at as the Cooperative Purchasing Agreement.

B. Section 2-149 of the City's Procurement Code permits the Materials Manager to procure goods and services by participating with other governmental units in cooperative purchasing agreements when the best interests of the City would be served.

C. Section 2-149 also provides that Materials Manager may enter into such cooperative agreements without meeting the formal or informal solicitation and bid requirements of Glendale City Code Sections 2-145 and 2-146.

D. The City desires to contract with Contractor for supplies or services identical, or nearly identical, to the supplies or services Contractor is providing other units of government under the Cooperative Purchasing Agreement. Contractor consents to the City's utilization of the Cooperative Purchasing Agreement as the basis of this Agreement, and Contractor desires to enter into this Agreement to provide the supplies and services set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated by reference, and the covenants and promises contained in this Linking Agreement, the parties agree as follows:

1. Term of Agreement. The City is purchasing the supplies and/or services from Contractor pursuant to Cooperative Purchasing Agreement. According to the Cooperative Purchasing Agreement award and rate sheet, which are attached hereto as part of Exhibit B, purchases can be made by governmental entities from the date of award, which was February 1, 2014, until the date the contract expires on January 31, 2016, unless the term of the Cooperative Purchasing Agreement is extended by the mutual agreement of the original contracting

parties. The Cooperative Purchasing Agreement, however, may not extend the contract beyond January 31, 2019. The initial period of this Agreement therefore is the period from the Effective Date of this Agreement until January 31, 2016. The City, however, may renew the term of this Agreement for 3 one-year periods until the Cooperative Purchasing Agreement expires on January 31, 2019. Renewals are not automatic and shall only occur if the City gives the Contractor notice of its intent to renew. The City may give the Contractor notice of its intent to renew this Agreement 30 days prior to the anniversary of the Effective Date to effectuate such a one-year renewal.

2. Scope of Work; Terms, Conditions, and Specifications.

   A. Contractor shall provide City the supplies and/or services identified in the Scope of Work attached hereto as Exhibit B.

   B. Contractor agrees to comply with all the terms, conditions and specifications of the Cooperative Purchasing Agreement. Such terms, conditions and specifications are specifically incorporate into and are an enforceable part of this Agreement.

3. Compensation.

   A. City shall pay Contractor compensation at the same rate and on the same schedule as the Cooperative Purchasing Agreement, unless the City and Contractor agree otherwise, as provided in Exhibit C hereto.

   B. The total purchase price for the supplies and/or services purchased under this Agreement shall not exceed forty-eight thousand dollars ($48,000).

4. Cancellation. This Agreement may be cancelled pursuant to A.R.S. § 38-511.

5. Non-discrimination. Contractor must not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, national origin, age, marital status, sexual orientation, gender identity or expression, genetic characteristics, familial status, U.S. military veteran status or any disability. Contractor will require any Sub-contractor to be bound to the same requirements as stated within this section. Contractor, and on behalf of any subcontractors, warrants compliance with this section.

6. E-verify. Contractor complies with A.R.S. § 23-214 and agrees to comply with the requirements of A.R.S. § 41-4401.

7. Notices. Any notices that must be provided under this Agreement shall be sent to the Parties' respective authorized representatives at the address listed below:

   City of Glendale

1. INTRODUCTION/BACKGROUND

Pursuant to A.R.S. 41-2501, The Arizona Department of Administration, State Procurement Office (The State) is seeking to establish statewide contract(s) for Industrial and Facilities Maintenance Supplies necessary to support all State Agencies, Boards and Commissions and participating Cooperative Members (collectively hereinafter referred to as Eligible Agencies). The Special Terms and Conditions provide a more detailed definition of Eligible Agencies. A list of all State Agencies and Cooperative Members may be found on the State Procurement Office's Website. The State intends to award a contract(s) to qualified vendors in accordance with the terms, conditions and provisions set forth herein.

The awarded contract(s) shall replace existing contracts for Industrial Equipment and Supplies, Lighting Supplies: Lamps, Ballasts, Light Sensors and Exit Signs, Electrical Parts and Supplies, HVAC Filters and WSCA Facilities MRO/ Industrial Supplies. The State desires to enter into contract(s) with reliable and capable vendors who can manage multiple agency accounts and delivery points located throughout the state, provides a online ordering system from a contract specific catalog with an effective filtering mechanism for excluded products, has sufficient statewide delivery capabilities, and offers a full, comprehensive line of Industrial and Facilities Maintenance Supplies, comprised of the items within the Product Categories at reasonable prices and offers the various discounts and programs as stated in this solicitation. The estimated dollar volume of products and equipment purchased under the proposed contract(s) is $10 to $12 million annually based on historical usage data and anticipated volumes. This is an estimated usage and because this contract(s) will be used on an as needed basis, the State makes no guarantee as to actual spend under any resultant contract.

2. STATEWIDE CAPACITY REQUIREMENTS

The Contractor shall have certain capacities and support mechanisms in place for the successful performance of this contract on a statewide basis. These capacities and support mechanisms shall include but are not limited to the following:

2.1 Business Capacity. The Contractor shall have the ability to ensure acceptable performance under a statewide contract including the ability to create and manage numerous individual accounts for order placement, billing and reporting purposes and the ability to provide a full range of products, materials, parts, and service for each category offered in order to meet the demands of all eligible agencies. . This shall include the ability to resolve customer disputes, handle multiple communications from accounts and provide excellent customer service.

2.2 Key Personnel. The Contractor shall have in place capable key personnel trained and responsible for providing the following services. A separate staff member is not required for each area described but each of these duties shall be specifically assigned to someone capable of performing each of these duties.

2.2.1 Arizona Statewide Contract Representative - knowledgeable on all aspects of the contract, will handle contract administration requests and resolve problems that may arise. (Main point of contact for the State Procurement Office)

2.2.2 Catalog Maintenance -Maintain electronic, hard copy and ProcureAZ Punch-out Catalog along with resolution of State contract pricing issues

2.2.3 Spend Management Representative – Knowledgeable in various spend management techniques and experience in the successful application of those techniques.

2.2.4 Contract Data Analyst – capable of analyzing and reporting on various contract data inquiries including but not limited to contract spend data, usage trends, etc.

2.2.5 Eligible Agency Contract Customer Service Representative – Appropriate number to provide agency specific customer service and contract administration including but not limited to; return policies, after hours service, post sales support, out of stock, order tracking, quality assurance, orders

2.3 Ordering Capabilities. The Contractor shall have the ability to handle electronic, P-Card, hard copy, phone, fax and walk in/will call orders as described within this solicitation. This includes providing and maintaining electronic and hardcopy catalogs along with toll-free phone customer service for ordering support and also web based catalogs that are maintained for the sole purpose of the State of Arizona Contract products and services.

2.4 Delivery Commitments. Contractor shall have clear policies in place for delivery completion time frames and minimum delivery commitment to any eligible agency.

2.5 Product Availability. All products offered shall be available for ordering at the time of contract award and throughout the life of the contract. Changes to products that are available under any resultant contract cannot be made without prior written approval from the State in the form of a formal ProcureAZ contract change order.

2.6 Statewide Delivery. The Contractor shall have inventory and delivery capabilities sufficient to meet statewide customer demand and delivery requirements as stated in this solicitation.

2.6.1 Upon request of an Eligible Agency, the Contractor shall provide inside delivery to specific locations at no extra charge. Inside delivery is defined as inside the customer's business, building or outer property grounds.

2.6.2 Delivery for in stock items shall not exceed 48 hours (within 24 hrs is preferable).

2.6.3 Delivery of out of stock items shall not exceed 10 working days. Individual Eligible agencies may have additional restrictions for a given circumstance.

2.6.4 The contractor shall have policies in place regarding late delivery such as order cancellation policy, discounts given for late deliveries, order tracking, etc.

2.6.5 Eligible agencies may have policies in place for the imposition of penalties for contractors that have continual late deliveries. These may include but are not limited to cancellation of order, future non use of contractor or filing of vendor performance report with the State Procurement Office.

2.7 Distribution / Warehousing Facilities. Contractor shall provide adequate warehouse facilities and distribution network dedicated to the successful performance of the awarded contract. This shall include but not be limited to adequate volume stock levels, staff levels, fill rates and will call capabilities. The Contractor shall have a policy in place for damaged freight, shipping and invoicing error, defective items and other policies the increase the ability to deliver customer orders in a timely and accurate manner.

3. PRODUCT REQUIREMENTS

3.1 Catalogs. Catalogs and/price lists shall be made available in both electronic and hardcopy formats upon request from an Eligible Agency. An accessible website that contains a downloadable catalog or price list or an interactive web catalog or price list shall also be available for use by Eligible Agencies. All catalogs that are made available to Eligible Agencies for use under this contract shall only contain products included under this contract. The contractor shall not represent any product that is specifically excluded as a product covered under this contract. The contractor shall have a process in place for removing items determined to be exclude from this contract.

3.2 ONLINE CATALOG AND ORDERING (Punch-Out).

3.2.1 The State utilizes an online catalog and ordering function (punch-out) through ProcureAZ for most purchase under this contract. The contractor shall have a secured website for placing online orders. The features and functions of this online ordering catalog shall include:

- Access by standard web browsers
- Search functions
- Product information such as unit of measure, photos, and item status inquiry functionality that provides stock availability
- Indicate current catalog/or list price and contract price
- Order tracking
- Help functionality
- Acceptance of P – Cards
- Allow only contract items to be viewable
- Ability to block or exclude items or categories
- Identify the following product types;
    - Core List Items
    - Green / Recycled Products
    - Energy Efficient Products

3.2.2 *Access.* The Contractor shall provide access to and interconnectivity with the State's eProcurement System for the purpose of allowing authorized State system users to "Punch-Out" of the system, to access directly the Contractor's website, select contract products and services, and return to the State's system with the order details. Contractor shall cooperate with the State's system provider in the establishment and ongoing operations of their punch-out connection.

3.2.3 *Timeframe.* The "Punch-Out" capability shall be functional within 12 months of the contract begin date.

3.2.4 *Cost.* The cost associated with the Contractor's Punch-Out set-up, maintenance and support shall be borne by the Contractor.

3.2.5 *Discount Offered.* The implementation and management of electronic ordering systems result in lower administrative costs for both the Contractor and the State, it is therefore requested that the Contractor offer an additional discount percent (%) from list price for those who utilize the Punch-Out system to make purchases under this contract.

3.2.6. **The Online ProcureAZ Punch-Out Catalog shall be required for any contract awarded for all categories.**

3.3 Core List. The contractor shall provide discounted firm fixed price for specific items or their equivalent listed within the core product list. The contractors shall provide products and pricing in a minimum of one category. The Core List reflects the most common or frequently purchased under the existing state contracts. The contractor shall provide the product specified or equivalent. The core list may change during the term of the contract. Changes may be made to the core list at the time of renewal and shall reflect the most common products purchased under the contract to provide the best value to the Eligible Agencies. If multiple contracts are awarded, the core list shall have the ability to reflect the usage under each contract.

3.4 Catalog / Product Categories. **The Contractor shall provide an established catalog/price list(s) containing comprehensive selection of products for a minimum of one Product Category. Pricing for all non-core / catalog items shall be based on a single fixed discount percent (%) from an establish list price. There is no limited to the number of commodities or equipment offered under each category nor is the contractor required to provide all items included in the description of the category. All products offered under any category shall fall within the general category description. If there is any question as to a product's inclusion in a category, the Procurement Officer shall make the final decision. Following is a general description of the product categories available under this contract along with any additional requirements of the products within each category.**

3.4.1 ***Adhesives/Lubricants/Sealants*** - Shall include but not be limited to; Tapes, Glues & Epoxies, Sealants, Cements & Caulk, Wire Brushes and Lubricants.

3.4.2 ***Electrical*** - Shall include but not be limited to; Gang Boxes, Electrical Metallic Tube (EMT) Conduit, Wire Connectors, Clamp Connectors, Switches, Electrical Boxes, Couplings, Circuit Breakers, Outlets, Wire Pulling Lubricant, Multi-Purpose Ties, Wall Plates, Timers and Relays, Wire & Cable, Power Supplies, Plugs and Receptacles, Electrical Hardware and Fasteners. All electrical parts and supplies shall be provided in accordance to the appropriate Federal, State or Local Standards and Regulations. Applicable standards and regulations that shall be followed include but shall not necessarily be limited to;

- UL Standard 797 Electrical Metal Tubing
- American National Standards Institute (ANSI) C80.3
- National Electric Code (NEC)
- NEMA, UL, CSA Standards

3.4.3 ***Hand Tools and Accessories*** - Shall include but not be limited to; Hammers, Hand Saws, Pliers and Clamps, Crimping and Cutting Tools, Utility Knife and Replacement Blades, Putty Knife, Plaster & Scrapping Tools, Screwdrivers, Wrenches, Staple Guns, Lawn and Garden Hand Tools, Taps, Dies, Screws, Bolts, Fasteners

3.4.4 ***Heating, Ventilating, Air Conditioning Filters (HVAC Filters)*** – Includes any filter or filter media used to capture air-borne particulate matter. All filters shall meet the smoke and flammability requirements of Underwriters' Laboratories UL 900, Test Performance of Air Filter Units, Class 2 unless stated otherwise. Any metal grids and casings shall be corrosion resistant. Non Metal Frame shall be high wet strength 28 pt. beverage board bonded on all four sides to prevent collapse. Filters shall be constructed with 90degree corners. The actual filter dimensions shall not differ from the stated nominal dimensions by more than 5/8". The following types of filters at a minimum shall be offered.

- *Pleated Filters* Minimum MERV 7 when evaluated under the guidelines of ASHRAE 52.2 .2 as revised. Filters shall be classified Class 2 per U.L. Standard 900. Filters shall have a minimum efficiency of 25%.
- *Flat Panel Filters* with a minimum average arrestance rating of 70% and frames composed of wood pulp products formed to hold structural rigidity during normal handling.
- *Pocket Bag Filters* The air filters shall be high efficiency ASHRAE extended surface pocket style filters consisting of 100% high density synthetic .media, a galvanized steel header, galvanized steel pocket retainers, and bonding agents to prevent air bypass and ensure leak performance. Filters shall be minimum MERV 11 and minimum efficiency rating of 65%.
- *Rigid Box Filters* The air filters shall be rated a minimum of MERV 11 with a minimum efficiency rating of 60% with frames and headers constructed of corrosion resistant galvanized steel.
- *High Efficiency Particulate Air (HEPA) & Ultra Low Penetration Air (ULPA) Filters* – Each filter shall be individually tested for efficiency and initial resistance at rated air flow. The test results shall be indicated on the filter label. The filters shall meet the requirements of IES-RP-CC001.3. The filter efficiency shall be 99.97% DOP (Disbursed Oil Particulate Testing).

3.4.5 ***Lighting***- Shall include but not be limited to; Energy Saving Lamps (Fluorescent, High Intensity Discharge, Traffic Signal lamps, and Incandescent), Ballasts, LED Lighting, Light Sensors, Exit Signs and Emergency Lighting.

All lamps and ballasts supplied under this contract shall be energy saving. It shall be recommended that all Standard A19 Incandescent Bulbs be replaced with energy efficient alternatives. All lamps and ballasts shall conform to all applicable Federal, State and Local laws, regulations and standards including but not limited to:

- 2012 Federal Lighting Legislation
- Restriction of Hazardous Substances Directive (RoHS)
- All mercury containing lamps shall be clearly marked and shall have passed US EPA's Toxicity Characteristics Leaching Procedure (TCLP) and not be classified as a hazardous waste.
- Electronic ballasts shall meet the limits of FCC Title 47, Parts 15 and 18 limitations for electromagnetic interference (EMI) radio frequency interference (RFI) and shall have at least a 5 year warranty.
- It shall be indicated if the electronic ballasts has been rated by NEMA Premium Electronic Ballast Program
- ANSI C82 Ballasts Standards
- ITE publication "Standard for Traffic Signal Lamps" and the ADOT Standard Specifications for Road and Bridge Construction (1996) - *Lamps to be used in vehicular traffic signal faces*
- If there are existing T12 systems, they shall be recommended to be converted to T8 Systems
- Energy Policy Act (EPACT) – All Lamps
- Light Sensors shall have a standard 5 year warranty and shall be UL and CUL listed.
- Exit signs shall have an input power demand of 5 watts or less per face and NEMA Premium Exit Signs shall be recommended.

3.4.6 ***Material Handling Equipment*** - Shall include but not be limited to; Ladders & Racks, Hand Trucks and Carts, Scales, Casters, Wheels, Shelving, Tool Storage, Rope, Straps.

3.4.7 ***Motors, Pumps and HVAC*** - Shall include but not be limited to; DC Motors, HVAC Motors, General Purpose Motors and Pumps.

3.4.8 ***Pneumatics, Hydraulics, Welding & Accessories*** - Shall include but not be limited to; Impact Wrench, Air Compressors, Vacuum Pumps, Valves, Regulators and Hoses, Arc Welding Rod and Wire Solder, Protective Helmet & Welding Gloves, Torch Kit & Regulators, MIG/TIG Welders.

3.4.9 ***Power Tools & Accessories*** - Shall include but not be limited to; Cordless Drills, Saws and Hammers, Finishing & Routing Tools, Battery Packs, Power Shears and Heat Guns, Drill Bits, Saw Blades, Milling Tools

3.4.10 ***Safety/Security/Batteries/Flashlights*** – Shall include but not be limited to; Gloves, Protective Eye Glasses and Headgear, Safety Signs and Vests, Protective Clothing and Footwear, Safety Cones, Barricade Tape & Safety Flags, Portable Water Coolers, Batteries, Flashlights, Fans, Heaters, Sports Drinks

3.4.11 ***Testing/ Measuring Instruments*** – Shall include but not be limited to; Gauges, Meters, Testing Kits, Thermometers, Battery Testers, Calibrators, Measuring Tools and Tapes.

3.5 Material Safety Data Sheets. Eligible agencies shall be provided MSDS as required by the Occupational Safety and Health Administration (OSHA) for all goods provided under this contract which may release or otherwise result in exposure to a hazardous chemical under normal conditions of use. The MSDS sheets shall be available for disclosure purposes to all agencies at the time of contract award. All products shall be clearly labeled with instructions for proper use, personal protective requirements and disposal instructions.

4. EXCLUSIONS

Certain product categories, and specific items, which are covered by other State contracts or are otherwise prohibited, shall be excluded. The contractor shall exclude any additional items upon request. Contractor shall have a procedure in place to remove any product or type of products upon request. Current exclusions include, but are not limited to the following;

- Janitorial Supplies (Including paper products, toilet & facial tissue, paper towels and rolls, cleaning chemicals)
- A/V Equipment including cameras, digital projectors, & projection screens
- Computers, PDA's, & Accessories including printers, scanners, monitors, & webcams
- Furniture including all accessories, armoires, bookcases, chairs, credenzas, cubicle or modular furniture, desks, filing and storage cabinets, tables, wall and floor shelving. (Industrial or shop shelving and storage is allowed)
- Recognition or Length of Service Awards Software,
- Cell phones, Two Way Radio and other electronic communication equipment
- Signs, Acrylic and Vinyl Lettering
- Plumbing Supplies (Including Waterless Urinals, Water Heaters, Fixtures, etc.)
- Office Products and Office Supplies (Including Office Paper)
- Building Materials – lumber, paint. (Marking or Surveying Paint is allowed)
- Automotive Parts, Electronics & Fluids
- Appliances

5. SERVICE AND PROGRAM REQUIREMENTS

5.1 Customer Service. The contractor shall provide customer service representatives, knowledgeable about the contract, to handle questions and resolve problems that arise. Customer service requirements shall at a minimum include;

- Representatives available to contract users during normal business hours that have on-line access to information to provide immediate response to inquiries concerning the status of orders (shipped or pending), delivery information, back-order information, contract pricing, contract product offerings/exclusions, billing questions or issues, contract compliance requirements, and general product information.
- Shall be able to be accessed by toll free phone number, fax, email or internet.
- Emergency number for after hours use.
- An escalation plan issues that are not resolved at initial contact.

5.2 Spend Management Program and Reports. The Contractor shall offer a Spend Management Program that provides usage and spend information to customers for analysis of spending patterns. After the analysis is complete, the contractor shall provide suggestions and identify changes that would reduce customer expenditures such as identifying best value products and delivery.

5.3 Seminars. The Contractor shall have the ability to provide seminars to Eligible Agencies under an awarded contract. The Contractor shall provide a description of the seminars available that includes a seminar's proposed subject matter, presenter qualifications, number of seminars, proposed locations, method of delivery for seminars and notification to potential users. Subject matter of the Seminars may include but shall not be limited to;

- Green initiatives updates
- Hazardous materials
- USDA registered chemicals
- MSD and
- OSHA.

5.4 Product Training / Demonstrations: The Contractor shall offer product training available to Eligible Agencies. All product training shall be site specific. Contractor shall describe training offered including but not limited to;

- New products Demonstrations and Training
- Equipment and operation
- Green products
- Energy conservation

5.5 Warranties. The Contractor shall describe all warranties that will be offered on all applicable equipment and products under this contract. All warranties offered shall meet or exceed the standard manufacturer warranty for that equipment of product.

5.6 Small Business Enterprise Subcontract Program. The Contractor shall indicate the utilization of any Small Business Enterprise Subcontractors in the performance of any resultant contract. A small business is one that, including its affiliates, is independently owned and operated, is not dominant in the type of business it conducts, and which employs fewer than 100 full-time employees or which has gross revenues of $4 million or less. To qualify as a Small Business Enterprise Subcontract Program, the Contractor shall set aside a percentage of their business under this contract as subcontracts that will be performed by small business enterprises. Examples of where these subcontracts may be best utilized include but are not limited to subcontracting for a percentage of deliveries made in specific geographic areas of the state, product packaging services and billing or customer service/ordering services.

5.7 Discounts. The Contractor(s) is encouraged to offer discounts for various groups or purchases. Such discounts may include but are not limited to the following;

- **Educational Discount** - additional discount percent (%) from list price to qualifying educational institutions (e.g. K-12, Colleges and Universities).
- **Single Bulk Purchase** - additional discount percent (%) from list price offered on stand-alone bulk purchases. If offered, the contractor shall clearly describe what qualifies for the discount.
- **P-Card** – additional discount percent (%) from list price offered on purchases paid on a Purchasing Card.
- **Punch-out** - additional discount percent (%) from list price offered on purchases made utilizing the State's ProcureAZ Punch-Out process.

6. GREEN REQUIREMENTS

6.1 Environmental and Sustainable Practices. The contractor shall have sound environmental and sustainability practices in place. The environmental practices should be applicable to the items being offered such as;

- Offer and recommend environmentally preferable products to customers when available and not cost prohibitive.
- Offer and use environmentally friendly products, materials and suppliers where economically feasible.
- Offer and use equipment that may be disassembled so that components can be separated and reused or recycled easily,
- Products that provide end of life recycling or cradle to grave processes,
- Reduced Packaging or use environmentally friendly packaging that uses no disposable containers, is made from recycled content and meets or exceeds the minimum post consumer content level for packaging in the U.s. EPA *Comprehensive Procurement Guidelines*
- Recycling of lighting and electronic products
- Buy Back Programs
- Green Labeling and 3rd Party Certifications
- Identification of and Online Search capabilities green products in catalogs..

6.2 Green Certification. The contractor shall have policies in place to reduce the environmental impacts associated with the manufacture, use and disposal of products they offer to the extent it is technologically and economically feasible. The State encourages the purchase of products containing recycled content as well as those that are environmentally friendly or identified as green certified products such as Green Seal Certified. The contractor shall supply a list of the industry recognized certifications and standards obtained.

6.3 Recycled Content. The Arizona Recycling Program encourages Arizona to reduce, reuse, recycle and buy recycled products as an alternative to solid waste disposal in landfills. Contractors are encouraged to offer products containing post consumer content. Contractors shall have policies in place detailing their commitment to offering products where economically feasible, that contain recycled content. The policy should also include goals for minimum percentage of post consumer material contained in those items..

6.4 Packaging. Contractors are encouraged to offer packaging that that is environmentally friendly and meets at least one but preferably all of the following criteria;

- Minimizes or eliminates the use of disposable containers or wrap,
- Made from 100% post-consumer recycled materials or at a minimum 25% post consumer materials
- Be recyclable
- Reusable
- Non-toxic
- Biodegradable

6.5 Energy Efficiency. ARS 34-451 requires; "All state agencies shall procure energy efficient products that are certified by the United States department of energy or the United States environmental protection agency as energy star or are certified under the Federal Energy Management Program (FEMP) in all categories that are available unless the products are shown not to be cost-effective on a life cycle cost basis."

Contractors are encouraged to offer products that meet these requirements. Information about Energy Star Products and FEMP may be found at;

- http://www.energystar.gov/products ; and
- http://www1.eere.energy.gov/femp/procurement/eep_requirements.html

6.6 Reporting Requirements. The following requirements shall be performed by the Contractor relating to an Environmentally Friendly or Green Products.

6.6.1 The Contractor shall submit an **Environmentally Friendly or Green Product Report** that identifies the environmentally friendly or green products, energy efficient products, and products containing 25% post consumer material sold and the total dollars purchased during the reporting period.

6.6.2 The Contractor shall furnish this report on annual basis to the Procurement Officer of Record no later than July 31st or upon request of the State..

6.6.3 Failure on the part of the Contractor to accurately and timely submit any reports required by this contract may give rise to any contractual remedies available to the state.
