**RE: Project 121337 – Arrowhead Ranch Water Reclamation Facility Improvements  
Construction Manager at Risk Design Phase Services**

Dear Mr. McKinney:

Please consider this correspondence to be the City's Notice that the Construction at Risk Design Phase Services Agreement with PCL Construction, Inc., for **Project 121337 – Arrowhead Ranch Water Reclamation Facility Improvements**, is terminated today in accordance with Section 6.8 of the Agreement.

Please cease any further work under this Agreement immediately and promptly deliver to the City all reports, estimates and other deliverables entirely or partially completed, together with all other materials supplied by the City or the City's design consultants Carollo Engineers, and Black and Veatch.

Please submit an appraisal of the work completed and timesheets to date for the City's evaluation.

Please contact the Engineering office with any questions related to the action.

Sincerely,

*David D. Beard*
