RECITALS

- A. On August 15, 2013, under the Arizona State Purchasing Cooperative Agreement, the State of Arizona entered into a contract with Contractor to purchase the goods and services described in the Armed/Unarmed Security Services Contract, Contract No. ADSPO14-054367, which is attached hereto as Exhibit A. The Armed/Unarmed Security Services Contract permits its cooperative use by other governmental agencies including the City. The Armed/Unarmed Security Services Contract is hereinafter referred to as the Cooperative Purchasing Agreement.
- B. Section 2-149 of the City's Procurement Code permits the Materials Manager to procure goods and services by participating with other governmental units in cooperative purchasing agreements when the best interests of the City would be served.
- C. Section 2-149 also provides that Materials Manager may enter into such cooperative agreements without meeting the formal or informal solicitation and bid requirements of Glendale City Code Sections 2-145 and 2-146.
- D. The City desires to contract with Contractor for supplies or services identical, or nearly identical, to the supplies or services Contractor is providing other units of government under the Cooperative Purchasing Agreement. The City, however, may renew the term of this Agreement for a one-year period until the Cooperative Purchasing Agreement expires on August 14, 2017, if the Cooperative Purchasing Agreement is extended by the original parties. Renewals are not automatic and shall only occur if the City gives the Contractor notice of its intent to renew. The City may give the Contractor notice of its intent to renew this Agreement 30 days prior to the anniversary of the Effective Date to effectuate such a one-year renewal.

2. Scope of Work; Terms, Conditions, and Specifications.

- A. Contractor shall provide City the supplies and/or services identified in the Scope of Work attached hereto as Exhibit B.
- B. Contractor agrees to comply with all the terms, conditions and specifications of the Cooperative Purchasing Agreement. Such terms, conditions and specifications are specifically incorporate into and are an enforceable part of this Agreement.

3. Compensation.

In order to participate in any resultant contract, a university, political subdivision, or nonprofit educational or public health institution must have entered into a cooperative purchasing agreement with the State Procurement Office as required by Arizona Revised Statutes 41-2632.
- 7.2 **ESTIMATED QUANTITIES:** The state anticipates considerable activity under contract(s) awarded as a result of this solicitation, however, no commitment of any kind is made concerning quantities actually acquired and that fact should be taken into consideration by the Contractor.
- 7.3 **SECURITY CLEARANCE:** A security clearance may be required of the Contractor and of all employees of the Contractor or subcontractor as designated by the using agency.

8. CONTRACT AWARD

The State intends to award a firm-fixed price contract or contracts, unless otherwise indicated, resulting from this solicitation to the responsible Offeror(s) whose proposal represents the best value after evaluation in accordance with the factors and sub factors identified in the solicitation. The State may reject any or all proposals if such action is in the State's best interest. The State may waive informalities and minor irregularities on proposals received. The Offeror's initial proposal should contain the Offeror's best terms from a price or cost and technical standpoint. The State reserves the right to conduct discussions (negotiations) if the procurement officer determines them to be necessary. If the procurement officer determines that the number of proposals that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the procurement officer may limit the number of proposals in the competitive range to the greatest number that will permit an efficient competition among the most highly rated proposals. The State reserves the right to make an award on any item for any quantity less than the quantity offered, at unit costs or prices offered, unless the Offeror specifies otherwise in the proposal. The State reserves the right to make multiple awards if, after considering the additional administrative costs, it is in the State's best interest to do so. Any exchange with Offeror(s) after receipt of a proposal does not constitute a rejection of counteroffer by the State.
