Work Requirements and Restrictions

The primary concerns of the Glendale Police Department regarding officers and police employees working Outside Employment are protecting the employee from hazards that may result directly or indirectly from the employment, conflicts of interest that may arise from the employment, liability and risk management concerns, and providing a professional service to the community. In response to these concerns the Glendale Police Department requires its officers to adhere to the following restrictions:

- Supervisory personnel are required when four or more (4) officers/employees work simultaneously.
- Officers may work off-duty only when certified by the department to do so.
- All assignment of officers will be done through the department coordinator.
- Industrial/Workers Compensation and liability insurance are mandatory.
- Officers will not work weddings, private parties/banquets, except at **churches or on church property.**
- Officers are not permitted to work where they perform non-police tasks.
- The officers will not work outside the city limits of Glendale in uniform.
- Officers are not permitted to work where adequate officers are not hired to handle the situation safely.
- Officers will be assigned to work off-duty from a rotational assignment list.
- Three working days prior notice must be given when requesting an officer.
- A minimum of 24 hrs. prior notice must be given when canceling a department assigned job. A three (3) hr. charge per employee will be levied in the event of a cancellation without the 24-hr notice.
- There is a three (3) hr. minimum for department assigned jobs.
- **Payment for services is required to be made either at the time of the assignment or no later than a maximum of 21 days after the assignment. It is important to note that if payment is not received within the maximum 21 days then the Glendale Police Department will not authorize further staffing until payment is received in full.**

For businesses or events where the sale of intoxicating beverages is being consumed:

- The "Off Duty Coordinator" (ODC) will determine the number of officers, who will work at these locations, but in any event a minimum of two officers will be scheduled.
- Officers will be assigned primarily to the outside of the business to a perimeter position with their primary purpose being the preservation of the peace; however, officers may respond inside when police action is required, after which they will return to their perimeter position.
- If the business is serving alcohol outdoors, officers will only work outside of the serving area.
- Officers will not check forms of personal identification for the purpose of liquor law compliance, but may check identification as part of a police investigation.
- Officers observing liquor violations by employees of the business will summon an on call supervisor to the business and brief the supervisor of the circumstances. The officer will also forward a memo to the ODC for review. The supervisor will then make a determination on the liquor violation and will assign an on duty officer to conduct an investigation and to take the appropriate enforcement action.
- **Officers will make every effort to prevent intoxicated individuals from driving a vehicle away from the premises. Should officers witness an intoxicated individual driving a vehicle from the premises they will attempt to advise radio of the vehicle description, direction of travel and driver description so that the information can be relayed to on duty officers.**

At the discretion of the Police Chief, any of the foregoing may be altered to meet the needs of the department.

A completed and approved Outside Employment Work Agreement and proper certificates of insurance for workers' compensation and general liability insurance must be current and on file with the Glendale Police Department Prior to any Outside employment work being performed.
