Mr. Ed Beasley, City Manager
City of Glendale
5850 W. Glendale Avenue, Ste. 431
Glendale, Arizona 85301

Dear Ed,

Please accept this correspondence as written verification that we have agreed to amend our public affairs contract with the City of Glendale. Effective February 1, 2010 our Scope of Services was limited to legislative lobbying with the Arizona Legislature on any issues relating to the Tohono O'Odham casino project proposed in Glendale exclusively. Husk Partners will continue to perform all other public affairs services for the City of Glendale beyond legislative lobbying. As a consequence of this modification, the City and the firm have agreed to reduce the monthly fee paid to Husk Partners by twenty percent (20%).

Please feel free to contact me if you have any questions or concerns. The firm will re-issue its February invoice to reflect this modification. Thank you for your attention in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary A. Husk". The signature is fluid and cursive, with a long horizontal stroke at the end.
