Mr. Gary A. Husk
Husk Partners, Inc.
1702 E. Highland Ave., #100
Phoenix, AZ 85016

Dear Gary:

Pursuant to our most recent conversations related to the Husk Partners, Inc. contract with the City of Glendale for lobbying services, effective August 1, 2010, the conflict of interest referred to in your January 20, 2010 email no longer exists and therefore we have mutually agreed to re-instate the terms of the original Professional Services Agreement #C-7151 dated January 1, 2010.

We look forward to working with you in full capacity as we begin the next legislative cycle.

Sincerely,

A handwritten signature in cursive script that reads "Ed Beasley".
