

Glendale Community Band Brings Music to Downtown Glendale Summer Evenings

Glendale's favorite summer tradition is back for its 47th season beginning June 6 in downtown Glendale.

The eight-week concert series takes place each Thursday at 8 p.m. June 6 through July 25, in the Murphy Park Amphitheater, located at 59th Avenue and Glenn Drive; with the exception of the holiday week in July, when the concert will be held Wednesday, July 3. Music lovers of all ages will be entertained by this community band of approximately 100 musicians with its renditions of marches, ballads and show tunes.

The Glendale Summer Band is the longest-running community band in Arizona. The ages of the volunteer band members span several generations. The band was formed in 1966, originally playing at O'Neil Park, and moving to Murphy Park when the amphitheater was built.

These free concerts are the perfect night out for the entire family, or bring your friends, neighbors, the whole gang! Bring lawn chairs or blankets for seating. Food, snacks and refreshments will be available for purchase at the concerts, which will go on through July 25. The series will feature a special Patriotic performance on Wednesday, July 3, in celebration of Independence Day.

Can't make a show? Check out the concert from the comfort of home with our live web stream. Find the link to the stream on the GlendaleAZ.com home page or www.glendaleaz.com/video, where you will find a full library of Glendale 11 programming to watch on demand.

The Glendale Summer Band concert series is sponsored by Glendale Civic Pride. INFO: 623-930-2299 or glendaleaz.com/events

A Message from Mayor Jerry Weiers

New Events to Enhance Local Economy

Summer is here and activities in Glendale are starting to heat up. Since becoming

Mayor, I have made some great progress in bringing back important community events and establishing new ones.

In May, classic cars from the '50s, '60s, and '70s started 'cruising' Glendale Avenue – bringing with them more business for our downtown merchants. The Glendale Old Towne Cruise and Car Show is held on the third Saturday of every month (except December) from 1 p.m. to 8 p.m.

On the 4th of July, fireworks will return to Glendale. This event, which is funded entirely by our business partners, will be held at the Westgate area. It is sure to be one of the largest fireworks shows in the Valley.

On September 28, Glendale Community College is hosting "Stand Up for Veterans." This event will help our veterans by providing them access to employment, education, and community resources to help them and their families.

Last, but not least, on December 7th a group of Glendale churches and community leaders are bringing a Christmas Parade to downtown.

The best part is that each of these events is citizen organized and citizen run and – most importantly – do not use taxpayer money.

I look forward to hearing from you. My door is always open, and if I can help you in any way, please do not hesitate to reach out and call my office at 623-930-2260 or email me at mayorweiers@glendaleaz.com.

In Your Service,
Mayor Jerry P. Weiers

Christmas in July Shopping Event July 20

Downtown Glendale will celebrate a fun-filled day of early holiday shopping and dining on Saturday, July 20 from 10 a.m. to 4 p.m. It's never too early to start shopping for the holidays. Celebrate the joy of the season early and enjoy a fun-filled day of holiday crafts, sweet treats and exclusive deals in Historic Downtown Glendale. Shoppers will start at the Glendale Visitor Center to pick up their map and discount coupons.

The Value of Water

Tap water. You turn on the faucet, it's always there. It may be taken for granted, but tap water quality, convenience and value is not taken lightly by the people who ensure it is safe and available when you want it.

The safety, convenience and affordability of tap water is the message being communicated by "Tap Into Quality," a public education campaign designed to keep citizens informed about the quality of their tap water. INFO: glendaleaz.com/waterservices
