Re: Notice of Cancellation
Request for Proposal RFP 17-31
Duplication and Mailing Distribution Services

Our Valued Vendors:

This is to inform you that RFP 17-31 has been cancelled. The City in its best interest, has cancelled the above solicitation without award as only one offer was received. As a result, pricing offered cannot be determined to be fair and reasonable to the City. The City has reasonable expectation that two or more offerors can independently compete for this service. Therefore, the City has determined that it is in its best interest to rebid this RFP to generate multiple submittals. We appreciate your understanding and continued interest in doing business with the City of Glendale.

Sincerely,

Elizabeth Fernandez
Contracts Program Manager
City of Glendale, Arizona
