

## Cholla District Weekly Update

January 29, 2016

I am very pleased to report that Moody's has upgraded Glendale's bond rating for its General Obligation Unlimited Tax (GOULT) bonds to A2-Stable Outlook. In addition, we have received upgrades to our excise tax obligations, transportation excise tax obligations and highway user revenue supported debt. The bond rating for water and sewer debt remains unchanged.

This is the first upgrade for Glendale since a series of downgrades beginning in February 2011. This rating reflects the prudent financial actions the City has taken to achieve financial stability.

Always feel free to contact me with your questions or concerns. I value your input and opinion.
