**Glendale Investigating Water Services Scam.** The Glendale Police Department and the Glendale Water Services Department are concerned about a recent scam being run in the city. Between November 12th and November 30th, at least three homes have been targeted by unknown subjects, posing as a Glendale Water Services Employee. As a reminder to all residents:

- Water is diligently checked from places outside homes. There is no need to check water from inside a home.
- Glendale Water Services staff wears city uniforms, including blue shirts and hats with city logos. They always carry identification cards which residents are welcome to ask to see.
- Glendale Water Services staff will always be driving a city vehicle with City of Glendale logos.
- Glendale Water Services staff responds to homeowners calls but NEVER initiates random checks.
