City Of Glendale Announcements

Dear Cholla Residents,

In late June I requested a Council Item of Special Interest for a workshop about the utility rate increase. This workshop will allow the Water Services and Sanitation departments to explain the history, Capital improvement projects, needs and consequences culminating in their desire to raise rates. I wanted this for transparency for all residents and a better understanding for all involved as to what exactly was needed and why. This workshop will be held August 1, 2017 at 1:30 p.m. and will be open to the public for listening and if you are unable to attend, Glendale 11 will post the video of it within 48 hours on the city website.

Feel free to email me or contact the Council office. I value your input and opinion.

Best Regards,

Lauren Tolmachoff

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage you to submit an application for a Board or Commission.

For more information, please contact Van Ornelas at 623-930-2016 or email him at vornelas@glendaleaz.com.
