Dear Cholla Residents,

June 9, 2017

The Glendale City Council recently approved an ordinance that created a Human Relations Commission. This 14-member committee will provide recommendations on how to promote unity among all residents as well as discourage prejudice and discrimination. With this being a new commission, I currently have no applicants and encourage anyone interested to complete an application form. Links are listed below for all interested parties.

## Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage you to submit an application for a Board or Commission.
