

Cholla District Weekly Update

Councilmember Lauren Tolmachoff

LTolmachoff@GlendaleAZ.com | 623-930-2249

Dear Cholla Residents,

Yesterday the Glendale City Council approved a land sale paving the way for the construction of an Alpina franchise full service, top-tier BMW dealership just north of the water treatment plant and west of the 101 Loop. The city originally purchased the property to develop a Park and Ride. We were subsequently approached by West Valley RE LLC, an affiliate of the Van Tyl Group, and they shared their vision of what they could do with the site. (Please click [here](#) for a map of the proposed site.)

We continue to develop and maintain good business partnerships that create jobs and generate revenue.

Please feel free to contact me with your questions or concerns. I value your input and opinion.

Best Regards,

Lauren Tolmachoff

Serve On A Glendale Board or Commission!

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City Council. I encourage you to submit an application for a Board or Commission.
