

Cholla District Weekly Update

Vice Mayor Lauren Tolmachoff

LTolmachoff@glendaleaz.com | 623-930-2249

Vice Mayor Corner

Dear Cholla Residents,

Glendale is committed to being proactive in addressing the current climate of increased threats on school campuses. We are committed to being a partner in providing a safe environment that fosters and promotes learning.

Today at 10 a.m., the city announced plans to increase the number of School Resource Officers (SRO) by providing SRO support to each public High School within Glendale. Currently 4 high schools in Glendale (Raymond S. Kellis, Copper Canyon, Ironwood and Cactus) have assigned SRO's but beginning Monday morning, Mountain Ridge, Deer Valley, Apollo, Independence and Glendale High School will also each have a dedicated SRO. This will be done with no additional budget appropriations, but with a reallocation of existing funds throughout the organization, including the Council Office. The creation of these 5 positions will not impact current Public Safety service levels that residents are accustomed to.

SRO's are sworn police officers that further the Glendale Police Department's Community Policing mission. Each SRO is assigned to a specific school and builds relationships with students, their parents, faculty and staff.

As always, please feel free to contact me with your questions and concerns. I value your input and opinion.

Best Regards,
Lauren
