Dear Cholla Residents,

I am pleased to report that the Glendale City Council has approved a fiscal year 2016-17 budget of \$693 million. The new budget includes no property tax increase, significant investment in street and road infrastructure improvements, additional full-time positions for the Police and Fire Departments, which will enhance response times and service levels, and additional resources for faster project approval, which will increase jobs and business opportunities for our city.

To view the budget in its entirety, visit the city's website at [www.glendaleaz.com/finance](http://www.glendaleaz.com/finance).

Always feel free to contact me with your questions or concerns. I value your input and opinion.
