

After receiving complaints of the road conditions along Union Hills Drive, as well as 59th Avenue, the City of Glendale Streets Division has hired a contractor to mill and overlay Union Hills Drive, from 59th Avenue to 75th Avenue; and 59th Avenue, from Bell Road to Union Hills Drive. Thank you for sharing your concerns for our city streets; your voices have been heard. Your patience is appreciated while the work is being completed.

Please see the schedule and information provided by the City of Glendale.

Best Regards,

Lauren Tolmachoff

Pavement Management Schedule For Union Hills Drive, From 59th Avenue To 75th Avenue; And 59th Avenue, From Bell Road To Union Hills Drive.

The mill and overlay process is currently scheduled to begin Thursday, March 3rd, and will take approximately 2-3 weeks to complete. During these operations, business and resident access will be maintained; however, traffic will be restricted. Side streets and driveways will be maintained except when the work crosses driveways or access points. Vehicular access to driveways and side streets will not be permitted for short periods (30 minutes or less). It is important for the quality of the overlay that vehicles do not immediately travel on newly paved streets; therefore, construction crews may block driveways or direct travelers for brief periods.

Scheduled For Saturday, March 5th

The contractor will mill (remove) the existing asphalt, beginning with the 59th Avenue/Union Hills Drive intersection; and then the westbound lanes (north side) of Union Hills Drive, from 59th Avenue to 67th Avenue. This work will be directly followed with paving back of asphalt in these respective areas. The intersection of 59th Avenue/Union Hills Drive will be CLOSED on Saturday, March 5th from 12:00 am until

12:00 pm. Once the intersection has reopened, WESTBOUND Union Hills Drive, between 59th Avenue and 67th Avenue, will be CLOSED to accommodate the milling and paving of WESTBOUND Union Hills Drive, between 59th Avenue and 67th Avenue. Business access will be maintained as much as possible during these closures, and law enforcement officers will be on-site throughout the process to assist with traffic management.

Scheduled For Sunday and Monday, March 6th and 7th

Crews will mill up the existing asphalt in the eastbound lanes (south side) of Union Hills Drive, from 67th Avenue to 59th Avenue. This work will be directly followed with paving back of asphalt in this area. To accommodate this activity, EASTBOUND Union Hills Drive, between 67th Avenue and 59th Avenue, will be CLOSED on Sunday, March 6th and Monday, March 7th.

Scheduled For Tuesday, March 8th

For approximately four days, the contractor will mill up the existing asphalt on 59th Avenue, from Bell Road to Union Hills Drive, beginning with the outside lanes (curb lanes). This work will be directly followed with paving back of asphalt in the outside lanes. The contractor will then conduct the same process on the inside lanes of 59th Avenue. 59th Avenue will remain open for travel, but traffic will be shifted away from the work area, with at least one lane in each direction.
