Re: City of Glendale Stormwater Permit, AZS000019-2010

Dear Mr. Reedy:

Please find enclosed a copy of the Arizona Pollutant Discharge Elimination System (AZPDES) permit authorizing the city of Glendale to discharge stormwater from its municipal separate storm sewer system to waters of the U.S. Please note this permit becomes effective on August 27, 2010 and replaces the permit issued by U.S. Environmental Protection Agency in 1999.

The department appreciates the city's participation in the re-issuance of this permit and looks forward to working with the city on implementing the permit in effort to preserve and protect receiving waters.

Please contact me with any questions at (602)771-4508, or [henninger.christopher@azdeq.gov](mailto:henninger.christopher@azdeq.gov).

Sincerely,

Christopher M. Henninger, Manager  
Stormwater and General Permits  
Surface Water Section
