**Buckle Up Arizona.... It's The Law!** Motor vehicle collisions are the leading cause of death and serious injury in Arizona. The Glendale Police Department has partnered with the Governor's Office of Highway Safety to enforce Arizona's seat belt and child safety seat laws using high-visibility traffic enforcement with a "Zero-Tolerance" approach towards seat belt and child safety seat usage. Remember, seat belt and child safety seat use are the single most effective ways to protect people and reduce fatalities in motor vehicle crashes!
