

Glendale Memorial Park Cemetery Block Wall Replacement Project

24-Hour Construction Hotline: 602.264.6416

May 2017

ABOUT THE PROJECT

Starting Wednesday, May 24, construction crews will be onsite performing work activities associated with the removal and replacement of a portion of the existing perimeter block wall located along the southern boundary of the Glendale Memorial Park Cemetery (see map). Completion is slated for late June 2017.

To help ensure workplace safety and pet security, temporary fencing will be installed while the new wall is constructed. The construction contractor will coordinate directly with individual property owners regarding pet containment and access to backyards adjacent to the work area prior to installation.

Please note that access to the cemetery will be provided at all times. Thank you for your patience and cooperation during this construction effort!

Construction Work Hours: 6 a.m. to 7 p.m., Monday through Friday, weather permitting. If necessary, some work activity may begin as early as 5 a.m. to facilitate the placing and curing of concrete during seasonal temperature changes. Some weekend work may also be required.

FOR MORE INFORMATION

If you have questions about the project or need special assistance or accommodation, please call the 24-hour construction hotline at 602.264.6416. We are here to answer your questions and assist you any way that we can.
