

# Traffic Circulation and Event Parking Improvement Projects

Glendale Sports & Entertainment District

Project Hotline 602.264.6416

February 2018

## ABOUT THE PROJECT

The City of Glendale's traffic circulation and event parking improvement projects, now underway, will provide additional stadium parking and enhance traffic flow in the vicinity of the Glendale Sports and Entertainment District. The projects are slated for completion in summer 2018.

## PROJECT UPDATE

### • 95th Avenue Roadway Extension

This project will construct a new five-lane roadway (two travel lanes in each direction with a continuous center left-turn lane). It also will connect 95th Avenue between Camelback Road and Bethany Home Road.

The contractor has removed several trees and a fence from the new roadway alignment and has installed irrigation pipe and a headwall. Currently, Cox Communications is relocating its facilities from overhead to underground.

### • New Stadium Parking Lot

Crews will construct a new 4,000-plus space "Black Lot" parking area at 95th Avenue and Bethany Home Road to accommodate large stadium events. Work will include the installation of storm water detention basins, landscaping, a perimeter screen wall and parking lot lighting.

Work will include the installation of storm water detention basins, landscaping, a perimeter screen wall and parking lot lighting.

The contractor has finished excavating and grading the parking lot and has completed storm drain and water line pipe installation. Activities this month include installation of parking lot curb and excavation of the footings for the parking lot's perimeter screen wall.

### • Montebello Avenue: 95th Avenue to 91st Avenue

The project will construct a new three-lane roadway (one travel lane in each direction with a continuous center left-turn lane) and connect Montebello between 95th and 91st avenues. Construction of the masonry wall on the south side of Montebello is underway.

## PEDESTRIAN INFRASTRUCTURE IMPROVEMENTS PROJECT

### Bethany Home Road, 95th to 91st Avenues

Closed until July 31, 2018

Construction began February 1, 2018. Improvements along Bethany Home Road east of 95th Avenue include the installation of a pedestrian underpass and bridged crossings at the Grand Canal and the Bethany Home Outfall Channel, realignment at Bethany Home Road, concrete curb, gutter and sidewalk, landscaping and additional drainage improvements.

The contractor has installed storm drain pipe and is placing concrete for the retaining wall footings. In addition, construction of the pedestrian underpass is underway.
