

Traffic Circulation and Event Parking Improvement Projects

Glendale Sports & Entertainment District

Project Hotline 602.264.6416

September 2017

ABOUT THE PROJECTS

The City of Glendale is in the process of finalizing design plans for future construction projects aimed at providing additional stadium parking and enhancing traffic circulation in the vicinity of the Glendale Sports and Entertainment District.

• 95th Avenue Roadway Extension

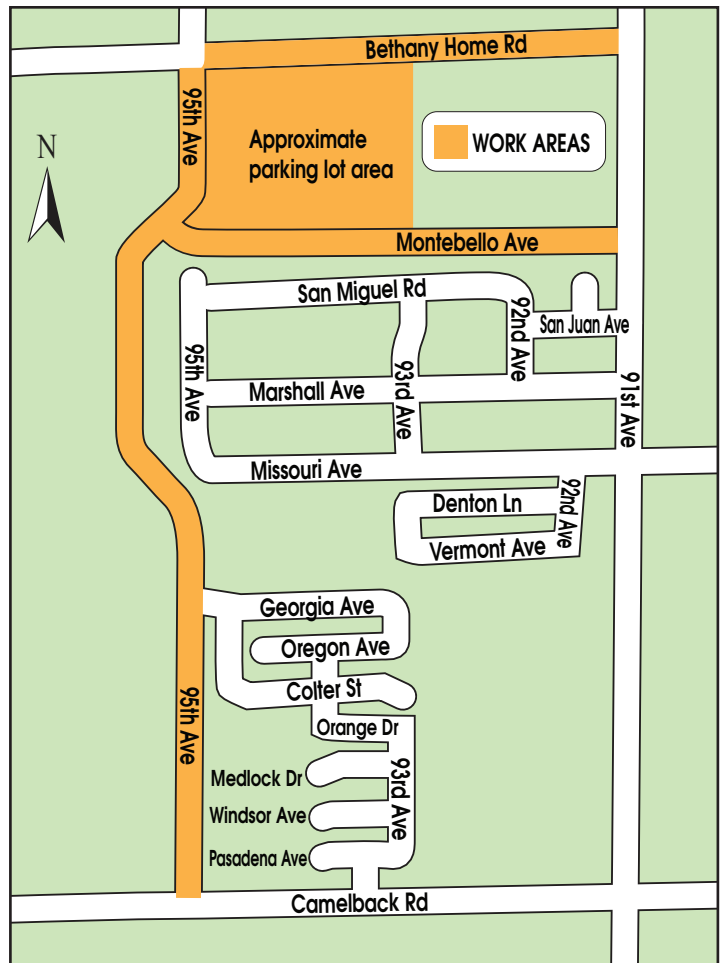

This project will construct a new three-lane roadway (one travel lane in each direction with a continuous center left-turn lane) and connect 95th Avenue between Camelback Road and Bethany Home Road.

• New Stadium Parking Lot

This project will construct a new 4,000-space "Black Lot" parking area at 95th Avenue and Bethany Home Road to accommodate large stadium events. Work will include the installation of storm water detention basins, landscaping, a perimeter screen wall and parking lot lighting.

• Montebello Avenue: 95th Avenue to 91st Avenue

Roadway and drainage improvements include the installation of asphalt pavement, concrete curb, gutter and sidewalk.

The following project will be designed and constructed by the Arizona Cardinals Football Club:

PEDESTRIAN INFRASTRUCTURE IMPROVEMENTS PROJECT

Improvements along Bethany Home Road east of 95th Avenue include the installation of a pedestrian underpass and bridged crossing at the Grand Canal and outfall channel, new asphalt pavement, concrete curb, gutter and sidewalk, landscaping and additional drainage improvements.

Construction is scheduled to begin winter 2017. The projects are slated for completion in summer 2018.
