**RFP 18-46**

**OUTSIDE COUNSEL SERVICES FOR OPIOID INVESTIGATION AND LITIGATION**

**QUESTIONS:**

1. This RFP states it is seeking proposers for Outside Counsel Services For Opioid Investigation and Litigation; however, the accompanying Cost Workbook Rate Sheet we downloaded lists 22 different practice areas (from Administrative law to Water law) and does NOT include a section for Opioid Investigation and Litigation fees. Is there a Rate Sheet that specifically lists Opioid Investigation and Litigation that you want us to use instead of the provided one? If so, can you provide that Rate Sheet? Alternatively, should we “write in” Opioid Investigation and Litigation into the provided Rate Sheet? Please advise on the best way to complete the Rate Sheet.

Deleted: City’s Response: See attached RFP 18-46 Cost Workbook – Rate Sheet.

**New: Offeror shall submit the attached “RFP 18-46 Cost Workbook – Rate Sheet Amended” with their proposal.**

2. Given the Cost Workbook Rate Sheet lists 22 different practice areas (from Administrative law to Water law) that is consistent with an RFP seeking General Legal Services, will the City of Glendale be issuing an RFP for General Legal Services this year?

City’s response: To be determined.

**All other specifications, instructions, terms and conditions remain the same. The Offeror must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the proposal submittal.**
