RFP 19-39

Parks Landscape Maintenance

As a result of the Pre-Offer Conference, the following clarifications have been made to Request for Proposals No. 19-39:

CLARIFICATIONS:

1. On page 8 under General Plant Maintenance – Base Bid, **REMOVE** the sentences: “Palm trees will be treated with a copper fungicide (Bordeau or equivalent) to prevent bud rot. This treatment shall be coordinated with the annual palm pruning.” Palm trees are **not** a part of this RFP.
2. On page 14 under Decomposed Granite Areas – Base Bid, Change “spring (by March 15) and fall (by October 15th) to February and October. This is to be consistent with Pre-Emergent use in decomposed granite being applied in February and October stated throughout the rest of the RFP.
3. On page 23 under Contractor Dedicated Employees, Employee Conduct and Contact Information, change where it states to have two field supervisor(s) available to have three field supervisor(s) available. This will equate to one supervisor per zone.
4. In the Pricing Workbook for Extra Work Rates. All per hour costs will mean per person per hour.

The balance of the specifications and instructions remain the same. The Offeror must acknowledge receipt and acceptance of this addendum by returning the entire addendum with the proposal submittal.
