Solicitation Due Date: May 10, 2019 2:00 P.M. (Local Time)

RFP 19-46

RUST PREVENTIVE WRAPPING OF STREETLIGHT POLES OR REMOVAL/REPLACEMENT OF SEVERELY RUSTED POLES ADDENDUM NO. 2

As a result of the pre-proposal conference conducted on April 25, 2019, the following revisions and clarifications have been made to Request for Proposal No. 19-46:

1. **On Page 10 of the RFP Package, under Time Limits, Section 3.8.3 is ADDED as follows:**

“3.8.3 This project will be awarded for \$2.6 million over a two-year period. Funding for each year shall not exceed \$1.3 million.”

2. **On Page 1 of the RFP EXHIBITS PACKAGE, under EXHIBIT 1, Section 6 TERM OF AGREEMENT is DELETED IN ITS ENTIRETY and REPLACED WITH the following:**

“6. **TERM OF AGREEMENT** The term of this agreement shall be for a two (2)-year initial period.”

3. **On Page 2 of the RFP EXHIBITS PACKAGE, under EXHIBIT 1, Section 7 OPTION TO EXTEND is DELETED IN ITS ENTIRETY and REPLACED WITH the following:**

“7. **OPTION TO EXTEND**, “The City may, if needed and mutually agreeable, extend this agreement for an additional 12-month period. Contractor shall be notified in writing by the City Materials Manager of the City’s intention to extend the contract period at least sixty (60) calendar days prior to the expiration of the original contract period.”

4. **On Page 11 of the RFP Exhibits Package, under Exhibit 2, Special Terms and Conditions, Section 35 PERFORMANCE SURETY REQUIREMENTS (Not Applicable) is DELETED IN ITS ENTIRETY and REPLACED WITH the following:**

“35. **PERFORMANCE SURETY REQUIREMENTS** The Maricopa Association of Governments’ Uniform Standard Specifications and Details for Public Works Construction addresses Performance Surety Requirements in sections 102.8 Proposal Guarantees and 103.5 Requirement of Contract Bonds. The City of Glendale follows these MAG specifications. No proposal shall be read unless accompanied by a proposal guarantee that shall be in the form of a certified check, cashier’s check, or surety bond for ten percent of the amount of the bid. Concurrently with the submittal of the contract, the Contractor shall furnish the City with a Performance Bond and a Payment Bond in an amount equal to the full contract amount.”

5. **Bidder Clarification Question and the City’s Response:**

5.1 Question: Are the existing poles numbered, or would we just be numbering the poles that we worked on?

SOLICITATION ADDENDUM

CITY OF GLENDALE
Procurement Division
5850 W. Glendale Avenue
Suite 317
Glendale, AZ 85301

Solicitation Number: **RFP 19-46 Addendum No. 2** Page 2 of 2

Solicitation Due Date: May 10, 2019 2:00 P.M. (Local Time)

Response: Many of the poles are currently numbered though it would only be a guess as to how many. However, some of these numbers on the poles are incorrect or do not match what is in the City's streetlight database. The City's GIS database will be provided to the contractor for reference to assist with correct pole numbering. The numbers range from three digits to seven. All poles that are worked on (either treated or replaced) will require numbering in the field based on database information.

All other solicitation provisions, terms and conditions and scope of work shall remain the same. Offerors must acknowledge receipt and acceptance by returning this addendum with their proposal.
