RFP 19-46

**RUST PREVENTIVE WRAPPING OF STREETLIGHT POLES OR REMOVAL/REPLACEMENT OF SEVERELY RUSTED POLES
ADDENDUM NO. 1**

As a result of the pre-proposal conference conducted on April 25, 2019, the following revisions and clarifications have been made to Request for Proposal No. 19-46:

1. BID DUE DATE AND TIME was changed to:

May 10, 2019, 2:00 PM LOCAL TIME

2. On Page 7, under Specific Requirements, Section 3.5.9, the following 3rd and 4th sentences were DELETED IN ITS ENTIRETY:

“Replacement poles and arms will be delivered to and stored at the City of Glendale Warehouse, 6429 W. Orangewood Avenue, Building N. The Contractor shall be responsible for material procurement and costs and transport of material from the Warehouse to the installation location.”

Rationale: Offerors shall note the Pricing Workbook in Line 13 provides for the Offeror to list a lump sum amount for inventory management. The intention of RFP 19-46 is for the Offeror to provide material management at a private location not through the City of Glendale Warehouse. The Contractor shall be responsible for costs of material procurement, inventory management, and costs of transportation from the Offeror’s private storage facility to the installation location.

3. On Page 10, under Time Limits, Section 3.8.2 was revised as follows:

“3.8.2 The City requires all eligible streetlight poles to be treated or removed and replaced by June 30, 2021. City staff will monitor Contractor progress monthly to ensure the work remains on schedule. Offerors shall note that funding for this project will be allocated in equal parts over two consecutive years starting July 1, 2019.”

All other solicitation provisions, terms and conditions and scope of work shall remain the same. Offerors must acknowledge receipt and acceptance by returning this addendum with their proposal.
